TypeScript  
JavaScript  
RxJS  
NgRx  
HTML5  
CSS  
Tailwind CSS  
Bootstrap

### Backend

Nest.js Node.js  
REST APIs  
PostgreSQL  
Prisma ORM

### Tools & Concepts

Git & GitHub  
Responsive Design  
JWT Authentication  
i18n  
Deployment

## LANGUAGES

Azerbaijani: Native  
Turkish: Native  
English: Professional Working Proficiency

## PROFESSIONAL SUMMARY

A highly motivated and self-taught Full-Stack Developer with a proven ability to architect and deliver complex, end-to-end web platforms. Specializing in Angular for dynamic frontends and Nest.js for robust, secure backends. My focus is on writing clean, maintainable code and turning business requirements into functional, user-friendly, and fully responsive solutions for a seamless experience on all devices.

## EXPERIENCE

<b>Dugi Studio - Art School &amp; E-commerce Platform</b>	
Freelance Client Project   Remote   2024	2025
<ul style="list-style-type: none"><li>Architected and developed a comprehensive full-stack platform for an art school, based on direct client requirements.</li><li>Built a powerful admin panel (CSR) allowing the client to dynamically manage students, courses, and online product sales.</li><li>Engineered a secure backend using Nest.js, implementing JWT authentication with bcrypt hashing for user data protection.</li><li>Developed the main site with Server-Side Rendering (SSR) for optimal SEO and performance.</li></ul>	
<b>CarRental Pro - Full-Stack Platform</b>	
Personal Project   Remote   2024	2025
<ul style="list-style-type: none"><li>Developed a complete car rental platform from scratch, including user-facing booking interfaces and an administrative dashboard.</li><li>Built a secure RESTful API with Nest.js for managing vehicles, users, and bookings.</li><li>Implemented a clean and modern UI with Bootstrap and custom CSS, focusing on a responsive-first approach.</li></ul>	

**Additional Projects**  
Further projects, including API integration demos and various front-end applications, are available for review in my online portfolio.
